IV. Statement of Claim:

State here as briefly as possible the facts of your case. Describe how each defendant is involved, including names, dates, and places. **Do not give any legal arguments or cite any cases or statutes.** If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. (Use as much space as you need. Attach extra sheets if necessary.)

I, DEVON CHEW will show in this claim that my Constitutional Rights was violated in a EXCESSIVE FORCE, Assault and Due Process violation. The EXCESSIVE FORCE assault on me involved A series of wrongful acts, not limit to the EXCESSIVE FORCE assault. Which resulted in the violation of my Due Process, on a "Official" level. (Correctional Officer Personnel, Internal Affairs Personnel, Committee Hearing Personnel, Administrative Personnel, Director) Some Officials was well aware of the substantial risk of "SOMETHING" happening to me at the location where it happen. Yet, those failed to make appropriate steps to protect me from the obvious danger that was in position, put in place to attack me. All that was involved showed a total unconcern for my welfare after the incidents took place - time and time again - even after I put in writing the legal arguments in the officials, and/or the Administrative Face I was attacked, and done anything wrong to be attacked. Therefore their lack thereof should be the equivalent of wanting harm to me as the attack itself.

I, believe that this claim of my violation of my Constitutional Rights under the 8th and 14th Amendments should be first viewed from the date of March, 26, 2019, when The Department of Corrections (The Administrative Review Board (A.R.B)) "RECEIVE" AND "RECEIPTED" my Grievance

About a incident. (which is loosely ~~writte~~ about this claim. Where I wrote up two Internal Affairs %o. M. Rolling and A. Vergara. Because of the two I.A %o conduct, writing me a Disciplinary Report, and while violating my privacy with the D.R in contacting "PREA" about another %o) IN THE GRIEVANCE I clearly states in the "Relief Requested" that I did not want to be place in "Stateville, N.R.C again. I had further put at the end of that same Grievance that I feared for my safety, and/or that I thought that it would get worst for me if I stayed at Stateville, N.R.C

(Exhibit A)

NOW A MONTH after I.D.O.C RECEIVED that GRIEVANCE, at Stateville, N.R.C ON 4-30-19 at the approx time of 2:35PM. While I was coming from a visit, on my way back to my living unit. I was being lead through the RECEIVING AREA of N.R.C with approx 10 other inmates and 3 %os. As we all was going through, we passed a cart filled with property "brown bags". A few of the other %os ^{GRABBED} some of the bags, as we all rounded the corner. (We was now in view of the staging hallway camera) %o WILLIAMS began to yell very loudly; "Put that back! Put that back! You got me fucked up! I saw you." %o WILLIAMS then rounded the corner himself, passing other %os. But stoped in front of me and stated; "Give it to me, give it to me now. Right now!" The %o was very loud AND in my PERSONAL SPACE. I calmly told the %o that I didnt know what he was talking about, and I didnt have anything. %o WILLIAMS then said; "Im not about to play with you." Before I knew what was happening, the %o grabbed me by the shoulders, being excessively forcefully, turning me around hard against the wall. When I felt my face hit the wall hard, I pulled away, out of his hands. I

[If you need additional space for ANY section, please attach an additional sheet and reference that section.]

asked the C/o not put his hands on. (I KNEW putting his hands on ME was not allowed. C/o WILLIAM did this all without asking/telling ME once to turn around) The C/o then stated; "You dont tell ME what to do, I tell you. You Refusing to BE search?" As C/o WILLIAMS was yelling this in my Face, another C/o walked up. The new C/o then told me turn around - to be search - I did what was told of ME, without words. (All of this was on the OVER head CAMERA. Let the Record show) More words was said as we all began to walk again. C/o WILLIAMS berated me the whole way to my living unit, saying things like; "you gone hit ME? Hit ME! Hit ME! Mark, Mark, Mark!" As we came to my living unit, the C/o made another big SCENE, telling the Sgts to walk ME to Segregation. When that didnt happen, C/o WILLIAMS took my I.D card, to write me A.D.R. I then went to my cell, approx 10 min. of being there, C/o WILLIAMS came to my cell to bring me my I.D. The C/o then threw the I.D through the side of the door, he then said; "Don't trip, I got something for you. RECI SCOUT. You gone be the last ticket I write before I retire." He laughed before he walked off. I immediately feared for my safety. (All of this was on the camera of E-wing. I was in cell 304. Let the record show)

That was the first incident that day, yet not the last. The latter also involved C/o's and physical contact/excessive force/violent assault. Which was in the same exact location as the first incident. I am truly in the belief that two incidents, in the same location, by 3 C/o was of no coincidence. I truly believe the latter incident was a plan attack on me and my safety and/or life, and I will show in this claim not only the attack but also the DPLY to EXCESSIVE FORCE/ASSAULT.

Also on the date of 4-30-19, at approx 7:45 PM - approx 5 to 6 hours after the first incident - in the same location as the first. Yet, this time I was coming from the shower, trying to catch up with the rest of the line of F/M's. I was rounding the corner, on the way to the living unit. This was in the Staging/Receiving hallway, where I made it to the end of the line. (The hallway camera shows the whole hallway, from the threshold in which I came through. I came to a stop at the line, put my shoulder on the wall, and was not talking in the hall at all. Doing everything right I was suppose to be doing. (if the record shows) As I was leaning on ^{the wall} % Boler (which I didn't know the % by name at that time) asked me was I the last out the shower, I told the % that I didn't know. % Boler then stated; "What you mean you don't know, You didn't see no Dicks?" He then started laughing at what he himself thought was a joke - which I did not - as he backed up on the opposite wall. I was immediately offended and shocked by the % comments. (There was 15 other F/M's and one other %. % A. Thomas - which I did not know % Thomas by name at that time) I then stated; "Don't play with me like that, You don't know me." % Boler then said; "You not nobody, you heard what I said." With me being embarrassed, I said; "How you know I'm not gay, and I just like you." (Now I understood that only 2 things should've happen then: % Boler would take full control of the situation by writing me a D.R, and/or call for a Lt. to have me walked to Seg. ² Boler would take full control, seeing his mistake in his own comments - that started this - come off his comments ^{and} deescalate the situation. Yet, instead none of the above happen. But the total opposite did) % Boler became real serious with his words and demeanor, then said; "Shut the fuck up and turn yours ass around" I was

again shocked that the % would take this position, seeing as though he was the one started the whole thing. I then said; "Why you MAD now, you THE ONE started talking to ME." % Boler stated; "Shut the Fuck up!" I then said; "Who do you think you talking to. Because I'm not a kid." % Boler then belittled me with a challenge, by stating; "You not gone do shit, so shut the Fuck up!" I then said; "And Neither is you." Boler then stated; "Dyeh?!" (% Boler actions was unbecoming of a officer, especially here after. Because it was here that I realize this situation was not the typical circumstance between a % and a T/M, and that I was not going to get out of this as easy as I got in. I felt I would have to see this through, because I felt no way of reasonable opportunity to escape from the future EXCESSIVE FORCE/ASSAULT. This incident felt as though this was between two men on the streets, instead of % and T/M. And to support my claim that the actions of the 3% and the Lt. was premeditated, I will give 8 obvious examples - as I explain the rest of my claim - that on record from the incident of the EXCESSIVE FORCE/ASSAULT, AND violation of Due Process) At this time % Boler was still leaning on the opposite wall as I was. ① % Boler then put down his water bottle, and advance on me, almost like a animal. The video will show that his movements was "stalk" like, as the % half circled me. By the time Boler stopped, I was now turned with my back facing the others in the hallway, and the camera. (The video will show that I never took a step toward the % - at all - in a threatening way. Let the record show) Boler walked up to me, got in my face and said; "What you want to do, you got a shit." I then said; "What you want to do." At that point I could not think of nothing else to say. Because I definitely did not want to hit the % and/or fight the %. ② % Boler then backed up from me, took

off his watch, exhaled hard and loudly. And in all in one motion, stepped back up to me while swinging on me with a closed fist. Hitting me on the right side of my jaw, with his left hand. The hit shocked, surprised and stunned me. When I came back to my senses, I did go after the %\$. Because I knew nothing else to do. I went into the "Flight, Fight or Freeze" method, and I chose to fight off instinct alone. BECAUSE I WAS hit first and I FELT attacked by %\$ Boler For No REASON.

"A Officer has an affirmative duty to intervene and prevent the unlawful use of force by other officers in his/her presence, and disregard of that duty CAN result in liability"

② The whole time %\$ A. Thomas said and/or did nothing to deescalate the incident from the start. By simply stopping %\$ Boler before the %\$ hit me, or before Boler had gone ~~farther~~ to do more to me. %\$ Thomas could've cuffed me up, and/or call for a Lt. to help deescalate the incident. It was as if %\$ Thomas was not there, until he was there. Yet, %\$ was there the whole time. But it was though he waited for his opportunity once my back was to him. (As if that was the plan the whole time. Especially the way %\$ Boler half circled me, and only stop when my back was to %\$ Thomas) BECAUSE THEN, and only then did %\$ Thomas take his chance to get involve, but the way he saw fit. Before I could even get close to %\$ Boler to do anything, from behind me Thomas struck me twice on the right side of my jaw - the same side as %\$ Boler hit - with what felt like a closed fist. At the same time as %\$ Thomas was striking me, %\$ Thomas was simultaneously was throwing his weight on me. In a "take down" fashion. Once I hit the floor - hard - out of nowhere about 9 %\$'s and 3 Lt's came down on

top of ME. It was then that I learned that it was a over head camera in hallway, by hearing Lt. ADAMS state; "It's a camera over yall head don't do nothing to him. Get off him." I was then picked up and walked to the Health Care unit to be looked at.

④ I WAS walked by two Lt.'s, one being Lt. Porter. Once I was there, I WAS placed in a bullpen, with the cuffs still on me. The cuffs was on so very tight, that the cuffs was cutting in my wrist. (I still have those scars on my wrist today) for approx 30 min. I kept in cuffs, asking the % in health care to take the cuffs off, because they was too tight. That % told me, I had to wait for Lt. Porter to return. (Lt. Porter would not let no one else deal with me) During the time I was waiting to be seen, % Thomas came to the bullpen to get my name. When I did not say nothing to him, because I then recognize the %, % Thomas then said; "keep that up, keep your mouth shut about this, and it might not get worst for you. (This was one the camera in the Health Care unit, Let the record show) Lt. Porter finally came to take me to be seen, and take the cuffs off. (I had a knot on my right side of my jaw, from being hit 3 times, cuts and abrasions on both wrist from the cuffs, with some nerve damaged. And some back pain. This was all on record, done by the nurse. Let the record show) This is where Lt. Porter sat down with me - as I was being seen - and ask me what happen with me in the hallway with the %'s. Lt. Porter basically interviewed me himself, - right there in Health care unit - I told him that I was attacked by his %'s. I told Lt. Porter everything that happen, the Lt. ask me then, did I hit anyone of the %'s. I ask him to PLEASE look at the camera. Lt. Porter told me that

HE WOULD "TAKE CARE" OF THE SITUATION, FOR ME NOT TO WORRY. HE THEN TOOK ME BACK TO THE BULLPIN. APPROX 21 HOUR 1/2 LATER LT. PORTER CAME TO "TALK" ME INTO BEING WALKED TO SEGREGATION, I DIDNT WANT TO GO BECAUSE I FELT I DID NOTHING WRONG. HE GAVE ME HIS WORD THAT HE PERSONALLY WOULD BRING ME ALL MY PROPERTY, AND THAT "HE" WOULD HAVE INTERNAL AFFAIRS COME TALK TO ME. LT. PORTER HIMSELF BROUGHT ME MY PROPERTY. AT APPROX 45 MIN. OF ME SITTING IN THE CELL, A % FROM I.A. CAME TO GET ME, TO TAKE ME TO BE INTERVIEW ROOM. (ALL OF THIS IS ON THE SEG.WING CAMERA. LET THE RECORD SHOW)

ONCE I WAS THEN TAKEN TO THE I.A, THERE WAS A MAN THERE. AS I WALKED IN THE ROOM WITH THE % FROM I.A, THE MAN SAID TO THE % FROM I.A; "#⁵ I just watch the whole video, BOLER FALSIFIED HIS WHOLE INCIDENT REPORT. GET HIM IN HERE, I want to talk to him first." THE MAN HAD THE I.A % TAKE SOME PICTURES OF MY WRISTS, AND JAW. THE MAN THEN INTRODUCE HIMSELF AS A "STATE INVESTIGATOR." (I DO NOT REMEMBER HIS NAME. BUT IT SHOULD BE ON RECORD) OF MY INCIDENT REPORT, I SIGN IT AND SO DID THE MAN. HE TOLD ME THAT HE HAD 2 HOURS TO COME TALK TO ME, HE THEN TOLD ME TO TELL HIM WHAT TO ME. I TOLD HIM EVERYTHING I COULD REMEMBER AT THAT MOMENT. (I ESPECIALLY DIDNT TELL HIM ABOUT THE EARLY INCIDENT WITH % WILLIAMS. BECAUSE I DID NOT PUT THAT TOGETHER UNTIL DAYS LATER WHEN I RECEIVE THE D.R FROM % WILLIAMS. IT WAS THEN, AND ONLY THEN DID I REMEMBER WHAT % WILLIAMS TOLD ME AT MY DOOR. UP UNTIL THEN I THOUGHT IT WAS OVER BETWEEN WILLIAMS AND MYSELF) THE INTERVIEW LASTED ABOUT 1 HOUR, WITH 4 PAGES OF REPORTS TO SIGN. THE MAN SHOWED ME PICTURES OF % BOLER AND % THOMAS. (I ALSO SIGNED A CONSENT FORM TO TAKE A POLYGRAPH TEST. THE PICTURES IS HOW I LEARNED THE NAMES AND

faces of % Boler and % Thomas. Let the record show) As the interview was coming to an end, I told the S.I about me talking to Lt. Porter, and all that Lt. Porter was doing to "help" me in the incident. At the time of talking to Lt. Porter, I did not know that there was something wrong with it, and that Lt. Porter shouldn't been talking with me. The S.I call in the I.A %, and asked him who was Lt. Porter, by stating; Who is Porter? Isnt that % Boler Union Rep? ⁽⁶⁾ The I.A % said; "Yes, it is." The S.I then said; "Get Porter in here too after Boler." I was taken back to Seg.

The next morning I was woken by a D.R sliding through my door, it was written by % Boler, ⁽⁷⁾ with % A. Thomas as a "witness" and Lt. Porter as the "Reviewing Officer." Lt. Porter blatantly ~~had~~ interfered with what he knew was a on going investigation as the Union Rep for the opposite side. Then Lt. Porter put his name on the D.R, sending me to Seg. For a D.R that was falsified and should not have been ~~processed~~ processed. % A. Thomas was a "witness" to a situation that never happen, and/or to a D.R that was put together, at best. Yet, the D.R was processed, with falsified accusations and bogus signatures. Which should be a obvious violation of my 8th and 14th Amendments. The D.R had 5 charges on it, with "violent assault" being the main charge, saying that I "Spit" on % Boler. (Let the record of the video show that % Boler falsified the whole D.R - and I am sure that Boler and Thomas Falsified their incident reports as well - I never spit on or at % Boler, nor was I talking or yelling in the hallway. I only "started" talking when I was spoken to by % Boler first. The only thing rematty true on the D.R was of me dropping my property on the floor) But I was not that worried about the D.R at that time, or being in Seg. I knew I did nothing wrong. And because I "thought" that Internal Affairs would

Let me out of Seg. and throw out the D.R., after their internal investigation was over. Or the Adjustment Committee would do the same thing.

That Monday, on the 29th of April, two State Police came to speak with me about the incident on the 26th of April. (Special Agent, Matthew Knoeck and Troope, Andrew Aguirre) I gave them the same story as I gave the S.I. I did not have to sign anything, but I was given a card by the S.P. It was later that same day I was told that % Boler was Fired and walked off the premises, that it was likely that taking off his watch and striking was the reason. (It was a lot of talk around the whole prison about the incident. Every one either knew who I was by face and/or by name)

So I was definitely surprise two days later when I was called by the Adjustment Committee to hear the D.R. On May 1 I walked in to hear the D.R., as I walked in the chair person of the A.C. Lt. Best ask me my name, I told him, he then said; "So you Chew hub?" He then read me the D.R. wrote by % Boler, he then ask me how did I plea, I told him "not guilty." Lt. Best then said; "So you didn't do none of this, that Boler said you did? Then what happen?" I then began to tell what happen ~~was~~ in the hallway with % Boler and % Thomas, I made it maybe half way through the incident when Lt. Best interrupted me for the first time of many. With questions like, "Did you spit at all?" "Did you threatened Boler?" "Was you loud in the hall?" "Did you drop your property?" (I knew the hearing was not going my way, with the way Lt. Best was asking his questions. It was obvious Lt. Best did not believe that I had not done nothing.) I answered "No" to all but the last question, I stated; "I only dropped my property after % Boler got in my face. What

else was I suppose to do?" I also told the Lt. that I would take a polygraph test about my truth. The whole time the hearing was going on there was more then me and the 2 Hearing Officers, when there is only suppose to be the 3 of us. (Sgt. Fox and Sgt. Hill was there, to some 2 few) The other hearing member, Amy Gomez said nothing the whole time, its as if she wasn't even there. Gomez was suppose to have been writing down what was being said in the hearing, but the record only have one line of what I said throughout the hearing. I asked Lt. Best why was I still at N.R.C hearing the D.R. Basically I was not suppose to be hearing the D.R at Stateville, N.R.C, because nobody there was capable of being impartial. Everybody there had heard about the incident with the 2%'s and I. There could be no impartiality at the hearing therefore violating my due process. (If I knew about Boler getting walked off, then the others knew way more) As the hearing came to end, I begged Lt. Best to look at the video before he made a decision, he said he would. But on the 'Final summary' from the Adjustment Committee, the A.C lean heavy on % Boler Report from the D.R, when his report was falsified. And only bringing up the video footage pointing out that I dropped my property. Making it seem from the summary that I was so guilty. The Committee me guilty of the charges, but not the assault charge. The Chief Admin. S. Miles (Lead Warden) sign off on the committee decision to find me guilty. This is after I wrote Miles about the incident asking Miles to look at the video. And why wouldn't the Warden sign off when the committee was appointed by the Chief Admin. These are the people that Miles put in place. So Miles was of their actions.

On May 3 I seen the Asst. Warden Barnes (head of the N.R.C side) as I was going out for court. I stops to talk to her about the incident, wanting to be let out of Seg. She said she knew little about it, so I told her my side, she stopped me and said; "What did you do to make him hit you? Did you spit?" When I continue to explain, I ended with; 7% Boler no longer worked, then why was I still in Seg. Warden Barnes said; "If what you telling me is true, and Boler did get walked out of here. Then I can guarantee you that you not gone get off "Scot Free" (Warden Barnes had the power to get me out of Seg. But I was again ignored) That same day I sent a written letter to my Mother - through my lawyer - to have my Mother call to talk with Warden Barnes. So the next day on the 3rd of May while I was coming off the Seg yard, Warden Barnes came to talk to me. She walked up to me - with some attitude - and said; "I talk to your mother, she told me you are going on a hunger strike. I don't like nor appreciate when inmates have people calling me. So I went to look at the tape myself. Yes! I seen you throw your stuff down and puff up your little chest. I knew you did something, and I told you you wasn't gone get off 'Scot Free'. So you can do what you want to do. Don't eat! Don't make it's no difference, because it isn't gone change nothing. Do your Seg time and get over it." She then just walked off without letting me say anything else to her.

From my first day in Seg, to the days after, I really thought Internal Affairs would complete their 'investigation' and clear everything up, letting me out of Seg, and throwing the D.I. out as well. Not unknown to me the I.A.C. never had a investigation of their own going. They

either left it unresolved on the prison level, and/or they let the State Investigator/Police handle it from their level. Had they done their jobs, I would've been shipped out of N.R.C for my safety. (Just as they do when there's a assault on a %) I would've been interviewed by them, I would've been able to tell them about the incident with Yo Williams. I.A could've pulled both D.R from the record. But they chose to look the other way about the incident, putting me at risk everyday after the day of the incident. I wrote both Yo Rolling and Yo Vergara twice but I never got a reply. I had seen and talk with Yo Sharpe the day the State Police came to talk with me, he walked me back to Seg. Sharpe told me that he wasn't the one handling the "investigation," but someone would come talk to me, for me to "sit tight." The counselor told me me there was no on going investigation about the incident. I knew this to be true, because no one came to talk with me before I was shipped out. From the obvious lack of effort, I was forced to go through so many unnecessary life changes. I truly believe that the I.A % chose to ignore the incident was because of the grievance I wrote on them a few months before. There definitely should've been a investigation about the matter from April 26.

I then receive another D.R days later written by Yo Williams, from the day of 4-26-19. It had so many charges on it, I then had a hearing soon after. (I was given 6-months Seg for both incidents!) I was then, randomly then shipped back to Western IL because I was only at Stateville, N.R.C for court. But once I got back to Western IL C.C. I was shipped again because I had too much Seg time to be at Western IL CC. (This was approved by the

Officials of I.D.O.C in Springfield) I was sent to Lawrence C.C. So I am now more far from my family that I was at Western I.L.C.C. I am still in Seg, where I can not get contact visits, I can not use the phone to talk to my family and/or most importantly my Lawyer. This has all made my stay very uncomfortable and emotional to say the very least.

Western I.L.C.C. is where I filed my Grievance about the incident, because of filing in Western I.L. I was able to send the Grievance straight to the I.D.O.C, Administrative Review Board (A.R.B) in Springfield. Because the incident did not happen in Western I.L. So that's what I had immediately did. I felt this was my last and only chance I had left to RECEIVE SOME much needed justice. I explain in the Grievance majority of what I explain in this claim. There was no way that I would be denied with these obvious facts I had in my favor. (I felt I would be let out of Seg. and put in the position where I could be comfortable and safe) Yet, like the times before this one, this is not what happens. After 1 month of having my Grievance in Springfield (I.D.O.C), the A.R.B SENT A REPLY TO ME WITH A DENIAL TO MY GRIEVANCE. THE RESPONSE FROM THE I.D.O.C, A.R.B was that my "issue with the staff conduct was ~~most~~" and that they found no ^{Findings} ~~most~~ that there was no violation of my Due Process in my Grievance, and/or throughout the incident itself. The response also said; "This office is reasonably satisfied the offender committed the offense cited in the report." EVEN AT THE FINAL STAGE OF THE PROCESS, I WAS STILL BEING TOLD THAT I -MYSELF- WAS THE ONE IN THE WRONG. AS IF EVERYONE DID LOOK AT THE RECORD OF VIDEO, AND NOT JUST PUSH THE PAPER WORK THROUGH. WHY ALSO PUSH ME AS

WELL through the ringer. And to make matters worst, this time the denial came with - yet again - the signature of the A.R.B, Debbie Knauer, and much worst; The Director Rob Jeffreys. My innocents could be perceive by any reasonable person that would take the time to view the record of the video and read through the obvious falsified reports. If the A.R.B member and the Director would've done an investigation, how did they not see the 3%'s use excessive force and assault me, how did they not see the falsified reports, how did they not see Lt. Porter involve himself on both sides knowing he is a Union Rep, how did they not see everything else that was wrong with the whole incident. It is impossible not to have seen it. This seem as though the I.D.O.C, A.R.B and the Director went out their way to avoid acquiring unwelcoming knowledge and correcting it. Instead they did what the last group did, DENY ME ~~ME~~ FOR NO REASONABLE REASON. Which has to be on the lines of intent to KEEP the actions of the 9% of the EXCESSIVE FORCE and the assault standing. Especially when I told I.D.O.C, A.R.B MONTH before that I Fear For my safety at Stateville, N.R.C

For all those involve, to the one's that chose not to get directly involve. There was definitely a violation of my Civil Rights in more ways then there wasn't. There was a lot of deliberate indifferents showed throughout the process that I'm still going through. As I write this claim I am again in Stateville, N.R.C for a court writ. There seems to be a consistent effort to KEEP sending me here from the I.D.O.C in Springfield. I go through so much cruel and unusual punishment, like having to see those

those involve (Lt. Porter, 20 Thords. To name a few) I have to show up to my court room in arm and leg cuffs on because I'M IN SEQ. I BEG THE COURT THAT OPENS THIS CASE, TO PLEASE CONSIDER TO GRANT ME A "KEEP SEPARATE FROM" STATERVILLE, N.R.C. BECAUSE I FEEL IT ONLY CAN GET WORST FOR ME HERE SINCE THIS CLAIM IS OPEN TO THE COURTS. THIS SITUATION HAS ALREADY HAS TAKEN A PSYCHOLOGICAL TOLL ON ME AND MY FAMILY.

[If you need additional space for ANY section, please attach an additional sheet and reference that section.]

ILLINOIS DEPARTMENT OF CORRECTIONS
OFFENDER'S GRIEVANCE (Continued)

to know why this ~~Officer~~ was at "internal Affairs." % Vergara then became noticeably irritated and then insolent, stating: "Get your Ass in and shut up." This ~~Officer~~ asked, "Why?" % then began to give a "Direct Order" for this ~~Officer~~ to stand and cuff up this ~~Officer~~. % Vergara then placed the hand cuffs on this ~~Officer~~. This ~~Officer~~ then ask what was this ~~Officer~~ hand cuffs for, % then stated, "you had become insolent in a threatening manner." This ~~Officer~~ then ask again, what was this ~~Officer~~ doing in I.A. office. % Vergara then finally began to explain to this ~~Officer~~ exactly why this ~~Officer~~ was there... to have a "PREA interview" because this ~~Officer~~ had this ~~Officer~~ Mother call the PREA hotline. Then the interview ~~started~~ started with this ~~Officer~~ telling the % of this ~~Officer~~ problem, while the % wrote down what this ~~Officer~~ was reporting. (% Vergara only wrote down part of what this ~~Officer~~ reported. I even list to support this theory, % Vergara never even put the Officer in question Kuszyk 10400 by name in the report. And there was still only the % and this ~~Officer~~ in the office during the interview.) This ~~Officer~~ explain to the % that this ~~Officer~~ had his Mother to call the PREA hotline because of the officer in question was making this ~~Officer~~ "uncomfortable" and that he gave this ~~Officer~~ the "creeps." As the interview went on, it was obvious to this ~~Officer~~ that % Vergara was ~~getting~~ very "irritated" and "agitated," and possibly even "angry." At one point during the interview, % Vergara became very irritated and ask this ~~Officer~~ very aggressively, "I know Kuszyk, he is a pretty good guy. He is fair. Good Officer. What does he do to make you.... "Uncomfortable"? (For the rest of the interview, % Vergara antagonize the words of this ~~Officer~~, like, "Uncomfortable," "Creepy," "Calling your mother," "Fear for your life." At this point, this ~~Officer~~ just wanted the interview over as soon as possible because the % was making this ~~Officer~~ very uncomfortable.) Close to the end of the interview, % Vergara - again - stated aggressively, "Did he try to rape you." Did he try to get you to fuck him. Did he grab your dick, balls, and/or ass. Did he try to strip search you without reasons. If not, you shouldn't have tried to contact PREA AT ALL! (This ~~Officer~~ thought that PREA was also to prevent i.e. "Elimination". Yet the % made it clear that this ~~Officer~~ had done "everything" wrong by contacting PREA.) This ~~Officer~~ then stated, "I am very uncomfortable with this %, he says' I do a lot of stuff towards me. And I am trying to "prevent" something "extreme" from happening to me." % Vergara then questioned this ~~Officer~~ about what this ~~Officer~~ had told this ~~Officer~~ Mother over the phone, to have her call the PREA hotline in the first place. % Vergara told this ~~Officer~~ that this ~~Officer~~ shouldn't have told this ~~Officer~~ Mother that this ~~Officer~~ Fear for his life, if it wasn't true. This ~~Officer~~ then stated, "that I told my mother what I had to, to get her to call the hot line for me. I had to make it sound ~~serious~~ serious to her. She is a "civilians". And that it really didn't matter, or should matter what I told her to say to get me call out. Because the facts of the reason to get me the "interview" was being discuss right now. I didn't want to say everything over the phone, and/or to "her" "My Mother." % Vergara disregarded this ~~Officer~~ statement, then ask; "Do you fear for your life, because that's what you told your Mother on the phone... Before you made a 3-Way."

This I/M then stated; "No! I do not fear for my life. But I am very uncomfortable with Kuszyk. He creeps me out." To this point of the interview this I/M was very ~~uncom~~ uncomfortable with P/O Vergara, and this I/M was still in hand cuffs because of the way the interview was going, and there was still no one else in the room other than this I/M and the P/O. This I/M ask; "For the Lt. of Internal Affairs." P/O Vergara told this I/M that he was the only P/O there that day, and that the "Lt." was off that day. (This I/M was later told by other P/O's that there was "No" Lt. of Internal Affairs at the time.) As the interview came to an end, the P/O told this I/M to sign the interview sheet, this is when this I/M noticed that the P/O failed to identify P/O Kuszyk 10400 by name in the report.

At no time during the interviews did this I/M feel comfortable, this I/M felt that the investigation would not be fair. The P/O made this I/M feel less though this I/M done something wrong by contacting PREA only to try to prevent "something from happening," the P/O said as much. The reward for contacting PREA, this I/M was "teased," ~~bully~~, "Antagonize," and/or made fun of for the contact. This I/M basically was told that this situation was not "serious enough" to have had this I/M mother called the hotline. As the P/O was taking this I/M back to his cell, the P/O mentioned to this I/M about doing a 3-way on the phone, after this I/M told this I/M mother about the PREA situation. This I/M just brought to the attention that 3-ways was did in N.R.C 98% of the time. (Every call this I/M made prior to the PREA situation a 3-way was did. So before the situation Internal Affairs could not have been worry about this I/M doing the 3-way calls, and/or could not have been monitoring the calls) This I/M then ask the P/O was he going to write this I/M a I.D.R., the P/O then said; "No, not me" with a "smirk" on his face. Then is when this I/M knew for a fact that this I/M would be retaliated against for making the PREA "complaint."

To prove this I/M theory about the handling of the interview/investigation. This I/M was written two I.D.R's the same day of, about the same situation. The I.D.R was wrote by a P/O that was not even present during none of the "interview." (M. Roling 11995) The I.D.R was written the same exact date and time as the interview. So when, where, how there "ever" an "investigation" conducted? For there to be an "conclusion" of ??? (As P/O Roling wrote in the beginning of the I.D.R that he wrote) & they concluded the investigation in a matter of minutes, and/or the hour of the interview? This I/M feels and/or believes that P/O Roling and/or P/O Vergara both conspired against this I/M, and/or abuse their authority, and/or use "Intimidation or threat towards this I/M with writing of the I.D.R. And most importantly, P/O Roling and/or P/O Vergara breach the I/M privacy in the PREA policy by making the "interview sheet" and/or the "phone conversation" reviewable to the Adjustment Committee. This I/M now feels for his safety, because this I/M was still on the wing with the P/O in question (Kuszyk 10400 N.R.C T-104). This I/M feels as though now every P/O in N.R.C knows about this I/M trying to contact PREA about another P/O. This I/M feels that it will get worst for this I/M if this I/M stays at N.R.C, Stateville.

ILLINOIS DEPARTMENT OF CORRECTIONS
OFFENDER'S GRIEVANCE (Continued)

2 of 16

On the date of 4-26-19 and approx time of 2:35 PM, while this F/H was coming from a visit this F/H was on the way back to this F/H been living with this F/H walked passed the carts, that holds "Brown Bags" and "Bed Rolls." When a few other F/H's grabbed some of the "Brown Bags," this F/H along with the other F/H's went through the Metal Detector, then immediately rounded the corner, into the hallway. Now, in the Receiving Hallway/Staging hallway. Where there is a Recording CAMERA over head. Behind this F/H, still, in the staging area of S. Williams (12882) began very loud shouting; "Put that back, Put that back. You just he fucked up! I saw you." So then rounded the corner himself, the F/H had the officer ahead to stop the line. When S. Williams caught up to this F/H the F/H stated; "Give it to me, give it to me now. Right Now!" The F/H was very loud and in this F/H personal space. This F/H told the F/H that this F/H did not have anything, and that this F/H did not know what the F/H was talking about. The F/H then said; "I'm not about to play w/ you." S. Williams then tried to forcefully turn this F/H around, by grabbing this F/H by the shoulders. When this F/H face hit the wall. This F/H pulled away, and ask the F/H not to put his hands on this F/H. S. Williams then said; "You don't tell me what to do, I tell ya ass. So you refusing to be search? All of this, on the over head hallway camera - Let the record show) All the while the F/H was yelling in this F/H face. This F/H told S. Williams that this F/H was not refusing to be searched that this F/H just did not want the F/H touching this F/H again. By this time there was lot more officers there, because of how loud S. Williams was. S. Williams then yelled to Sgt. Brothers. "Shake him down, shake him down. Shake his Ass down." Sgt. Brothers told this F/H to turn around for a shake down, this F/H then complied and submitted to the shake down w/out problem. When Sgt. Brothers told S. Williams that this F/H didn't have nothing, S. Williams became louder by yelling; "You think I'm stupid. You gave it to one of these motherfuckers, with your stick ass." (The F/H did not search any of the others) This F/H told the F/H that this F/H did not know what the F/H was talking about. The F/H stated; "Yeah alright Mark, yeah alright Mark." This F/H said; "That's not my fucking name." The line was moving through the hall, with about 4 officers. The whole time S. Williams was yelling very loud berating this F/H the whole time. The F/H then yelled very loud; "What, you gonna hit me? Hit me, hit me!" This F/H then stated out loud; "This a class crazy." The F/H then said; "This old motherfucker will kick your young ass." By this time the line had come to a stop by this F/H living unit, there was some Sergeants present. S. Williams then got louder, by yelling; "Sgt. Sgt. I want this motherfucker walked to seg. Now! Now! Now!" By this time there was about 15 officers around, because of the yelling S. Williams was doing. All of this was on cameras - Let the record show) When Sgt. Fox walked up to this F/H, this F/H explains that the F/H thought that this F/H stole a "Brownbag," and when it can shows that this F/H did not take one, the F/H became vindictive and disrespectful, that the F/H had single out this F/H. At the same time, S. Williams was still yelling. The F/H then stated; "Apologize to me right now, and its over. Right Now!" This F/H then said to the F/H; "I didn't do shit to you." The F/H then took this F/H to D and Sgt. Fox held this F/H & cuff up, so he could try to figure out what was going on. Sgt. Fox walked this F/H to a holding cage on R/B wings, he then ask the other officer that was there. This F/H told Sgt. Fox, Sgt. Fox left for about 10 min, he then return.

And took the cuffs off this I/M and had this F/m walked back to his I/M living unit. About 20 min. later, ½ Williams came to this I/M cell door, threw this I/M in through the side of the door and then stated; "Don't trip, I got something for you. Real Soon. And you gonna be the last ticket I write before I retire." The ½ then laughed at this I/M from the other side of the door. This F/m immediately feared for this I/M safety..... (There is also a camera on the wings of RE, this I/M was in 306 - Let the record show)

That was the first incident that date, yet not the last. (The latter also involved a visual and physical contact / Excessive force / Violent Assault. Which was in the same exact location as the first incident. This I/M truly believe as though both incidents was not just a coincidence. This F/m truly believe the latter incident was a plan attack on this I/M safety and/or life.)

Also, on the date of 4-26-19 and approx time of 7:45PM - approx 5 to 6 hours after the first incident, in the same exact location - this I/M was coming from the showers in the staging area. This I/M again walked through the metal detector and rounded the door to the receiving hallway/staging hallway. (which there is a camera that faces this threshold of the door. Let the record show that this I/M did not enter the hallway talking, that this I/M only said something after being addressed by the ½. The record of the camera) This I/M came to stand at the back of the line with the rest of the I/M's. In the hallway there was approx 15 I/M's and 2 ½'s. (½ M. Baker 11340 and A ½ A. Thomas. 3 gallery of RE) This F/m fell in line with the rest of the I/M's, not talking, with this F/m shoulder on the wall. This is when ½ M. Baker out of nowhere turn to this F/m and asked this F/m was this I/M the last out the shower. This F/m told the ½ that this F/m wasn't sure, that this I/M didn't know. Out of nowhere, ½ Baker then said to this F/m in a taunting manner; "What you mean you don't know... You didn't see no Dick?" The ½ then backed up to the wall in laughter at his own statement. This F/m was not sure that this F/m heard the ½ correctly, and/or that the ½ would actually say something as so disrespectful to "any" I/M in front of others - Especially with the PREA Program in The institution, which the ½ was blatantly in violation of - to make sure this F/m mask the ½; What did you just say to me? This was ask in a even tone of voice, yet there was a noticeable irritation on this F/m face. The ½ had to stop laughing to acknowledge that there was a question from this F/m, the ½ then said, in the same manner as before; "You heard what I said, Did you see any Dick?" (This I/M would like to take this time to point out the record of the cameras in the hallway. Everything this I/M reporting can be actually physically seen on camera, and one of intelligence can compare the verbal words from this F/m Grievance here, and incident reports, from the camera record. Way more so then one can from ½ Baker and ½ A. Thomas D.A. and/or incident reports. All reports was falsified by the ½'s. One will find that this F/m statements has been consistent throughout - the first ~~and~~ interview with I.A., State Police, this grievance - this whole time. Also let the record show that this I/M sign and/or submitted to a Polygraph test. That was never and/or yet to be given) This I/M was indeed shocked, shocked and embarrassed. This F/m then said to the ½; "Don't play with me! You don't know me like that to be playing with me!"

The F/B then stated, "you not a hooly, you heard what I said." W/ this F/B being homophobic and/or very embarrassed this F/B then stated, "how you know I'm not gay and I don't like just like you." (Now at this point this F/B has the understanding that there were only two options that should happen: ① The F/B would take full control write this F/B A.D.R. call the Lt. and have this F/B walked to Seg. for his own decisions. ② And/or the F/B would take full control and see his mistake in his misjudgment, come up to the comments and de-escalate the situation, yet instead the F/B did none of the above but the latter option.) Mr. Butler cut 20 ft services with his words and de-escalated then said, "Shut the fuck up and turn around." This F/B was again shocked that the F/B would take this position with this F/B. This F/B ask the F/B why was he the one getting mad when he was the one that started it AGAIN. Mr. Butler told this F/B to "Shut the fuck up." Then F/B then said, "Who do you think you talk up to because you're not no kid." The F/B then challenge this F/B by saying, "You not gonna do shit." This F/B said, "And you not either." Mr. Butler then stated, "Yeah?" (In nowhere else; Let the record reflect cameras show that this is where definitely Mr. Butler actions was unbecoming of a professional and/or Resident Officer. Because it was clear that this F/B realize that this situation was not the typical circumstance between a F/B and a F/M. It felt to this F/B as though, it was between two men on the streets or back alleys. To support this F/B theory, that this F/B is sure that the reactions by Mr. Butler and Mr. A. Thompson was definitely premeditated. This F/B will give 4 obvious examples - that's in the record of the camera, nothing in the F/B's incident reports - that the F/B attacked this F/M without being provoked by this F/M in anyway shape nor form) At this time, Mr. Butler was leaning on the opposite wall as this F/M. ① The F/B then put his wallet down, and then advance on this F/M. The camera will show that the F/B approach was stalk like as the F/B half circle this F/M, by this time this F/M back was to the stream and the camera. Mr. Butler walked right up to this F/M face and said, "What you want took you not on shit." (By this time this F/M was confuse, embarrassed, said a little scared, and unsure for this F/M safety. Because this F/M had never seen nor been in a situation such as this ONE.) This F/M then said, "what you want took" Because there was nothing else this F/B could think to say.

② Mr. Butler then backed up from this F/M, then took off his watch, and then extended hand stepped back up to this F/M, and closed his fist, and hit this F/M in the right side of this F/M jaw. The hit shocked, surprised and stabilized this F/M. When this F/M came back to this F/M sensing, this F/M did go after the F/B because this F/M knew nothing else to do. This F/M went into the Flight/Fight or Freeze method, this F/M chose to fight on instinct because this F/M was hit first and felt attacked by the F/B or no reason. (The whole time Mr. A. THOMAS said and/or did anything to de-escalate the situation the whole time this F/M and Mr. Butler was coming back and forwards, By stepping Mr. Butler, and/or cuffing up this F/M, calling for back up setting, is between this F/M and the F/B. Yet when Mr. Thomas saw his chance the F/B sat involved the way the F/B now

F.I.) Before this I'm could get to % Boler to do anything, from behind this F.I. % A. Thomas struck this I'm twice on the same side as % Boler. ③ At the same time % Thomas was striking this I'm % Thomas was also throwing his weight on this I'm in a "take down" fashion. Once this I'm hit the floor, out of nowhere about 7% is come down on top of this I'm. It was then that this I'm was informed that it was a over head camera in the hallway, by hearing Lt. Aderts say, "It's a camera over your head don't do nothing to him. Get off him." This I'm was then walked to Health Care Unit to be look at, was walked by Lt. Porter and another Lt. Lt. Porter talked with this I'm and would not let anybody else speak with this I'm. Lt. Porter ask this I'm what happen in front of the nurse that did this I'm incident report, this I'm told the Lt. that this I'm was attacked by two %'s. About 2 hours later, while talking with an outside investigator, this I'm was informed that Lt. Porter was never suppose to be talking with this I'm. Because Lt. Porter is the "Union Representative" for % Boler (IT NOT for % Thomas and % Williams as well) this I'm now feels and believe that Lt. Porter blatantly interfered with what he knew was an ongoing investigation. (Lt. Porter EVEN has his signature on the falsified D.R. that % Boler wrote this I'm as the "Reviewing Officer") ④ The next day on 4-27-19, this I'm received a D.R. written by % Boler with % A. Thomas as the witness and Lt. Porter as the Reviewing Officer. The D.R had 5 charges, with Violent Assault as the main one. (Let the record of the camera show that % Boler falsified his whole report. This I'm is aware that both %'s falsified their incident report) This I'm never spoke to % Boler and/or at him, neither intimidated or threat fired at the %'. The record of the camera will also show that this I'm was never loud nor talking in the hallway but only talking when spoke to by the %. On 4-27-19 two State Police came to talk to with this I'm (Special Agent Matthew Kenow, and Trooper Andrew Aquila.) It was later that a % inform this I'm that % Boler was walked off the premises. Why is this I'm still in Segregation? Why do this I'm have to keep going to Stateville N.R.C to wait?

This I'm feels as though the whole incident should not been seen through at Stateville N.R.C. (Especially the D.R.) Majority of the staff here knows about the incident and/or know who this I'm is by face or name. The Adjustment Committee found this I'm guilty of 306, 304, 313, Chair Person Lt. Best and STAFF A. Gomez couldn't have looked at the camera to find this I'm guilty 313, 304, 306 or the D.R. written by % Williams. Also to have the Chair Person S. Miles sign off on it as well. This I'm talked with Warden Bonds at N.R.C. she said to this I'm, "I know yous not gone get off "Scot Free", if he got walked out of here you can be sure of that." These staff members either seem as they was coverin's for the %'s and/or taking up for the %'s. Or trying to punishing this I'm because the % got himself into trouble, and not letting this I'm get off "Scot Free". This is my story; plea, Please help me A.F.
